MISSION

To provide dependable and cost-effective logistics solutions, while focusing on customer satisfaction, speed and security.

ABOUT US

OBN Courier & Cargo was established in 2012.

OBN which stands for One Brand Network is one of the leading aggregators of service providers having the best regional and local courier services on its platform.

We cover 19,000++ Pin codes including 11,000++ ODA (Out of delivery area) locations that make us one of the largest Domestic service providers in India.

Daily booking MIS, regular delivery updates, resolution of escalation, odd hour pick up and personalize delivery, and above all our reverse pickup management services are salient features that give our customers added advantage.
